Next, ofis hayatında hep bir sonraki adımı hedefleyenler için yeni bir çalışma sistemi önerisidir. Next, yalınlık ve kontrast kriterleriyle tasarlanmıştır. Keskin çizgilerden oluşan geometrik formu 'az' la 'çok' arasındaki dengeyi simgeler. İnce bir masa tablasını bir tarafta şeffaf ve dışadönük bir ayak, diğer tarafta masif ve güçlü bir kütle taşır. Bu zıtlıklardan doğan kusursuz görünümüyle Next, çağdaş yönetici ofislerini tanımlar.

Next è un sistema direzionale di nuova concezione Next è progettato con i principi di purezza e di contrasto. Le gambe sottili dalla forma geometrica creano un contrasto con il top forte e massiccio e donano contemporaneità all'ufficio

Next ist ein neuer Ansatz für Führungskräfte die stets einen Schritt weiterdenken. Next wurde anhand der Prinzipien Reinheit und Kontrast entworfen. Die durch seine klare geometrische Form definierte einfache Linienführung, fängt den Kontrast zwischen "weniger und mehr" ein.. Die schlanke Tischplatte mit dem leichten und transparenten Bein an einem Ende und der stabilen Plattform am Anderen, bildet einen Bezug zu den Werten moderner Büroarbeit.

The background of the image is a collection of architectural sketches for a desk. The sketches are rendered in a dark, charcoal-like style on a light background. The central focus is a large, L-shaped desk with a thin, transparent tabletop and a massive, strong platform base. The desk is shown from multiple perspectives, including top-down views and side elevations. The sketches are arranged in a somewhat chaotic but organized manner, with the main desk design being the most prominent. The text is overlaid on a dark rectangular area in the center of the image, providing a clear contrast for the white text.

NEXT IS A NEW APPROACH FOR EXECUTIVES WHO ALWAYS HAVE A NEXT STEP. NEXT IS DESIGNED WITH THE PRINCIPLES OF PURITY AND CONTRAST. THE SIMPLE LINES CREATED BY ITS GEOMETRIC FORM CATCHES THE CONTRAST BETWEEN LESS AND MORE. THE THIN TABLETOP ENDING WITH A VERY 'LIGHT AND TRANSPARENT' LEG IN ONE END, AND 'MASSIVE AND STRONG' PLATFORM IN THE OTHER END REFERS TO THE VALUES CONTEMPORARY OFFICE LIFE.
